A Message from Fr. Jim . . .

As I reflected on the Gospel Reading from St. John for today's Mass I was grateful for the many ways in which our parishes continue to feed the hungry in our communities. In the Gospel account a little boy comes forward with all he has, namely five loaves of bread and two fish, and offers it to feed five thousand. The only way the little boy's offering could feed that many was with the Lord's help. Jesus takes what was offered and multiplies so that all the hungry could have their fill. We are like that little boy in the Gospel. We offer what we have and the Lord multiplies it to assure that the needs of many are taken care of. I am grateful to all who help with the St. Vincent de Paul Society, to all who volunteer for and donate to the operation of Love Inc., as well as those who donate to any of our local organizations that offer assistance. We continue to feed the hungry in our midst with the Lord's help. May God bless our efforts to continue the work of the Gospel.

God bless you always!

Father Jim Volkert

THANK YOU!

On behalf of all of the parishioners at St. Mary's I want to offer a sincere word of gratitude to the parishioner who donated the cost to repair the sidewalk on the State Street side of the church. This will be a great help especially to those who need assistance getting into church. May God bless this parishioner for his generosity!
